+ OPENING PRAYER

**Eternal God, our Alpha and Omega, our beginning and our end, we have gathered in this time and at this place to worship You.**

**In Your time, You created all things, and created in us a longing for You.**

**It is this longing within us which has pulled us here this**

**morning, but has also at times pulled us away from you.  
Take these moments, O Lord of time and space,  
and complete them in us, through Your Holy Spirit.  
May our labor bring forth a new creation in You.
