

The Lord's Prayer

1. Father, may your name be honoured...

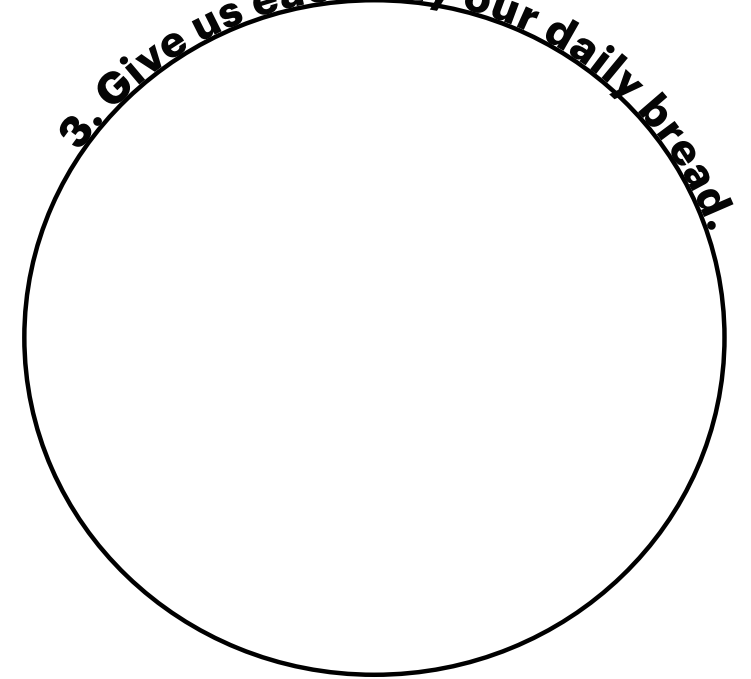

What words would you praise God with?

2. May your kingdom come.

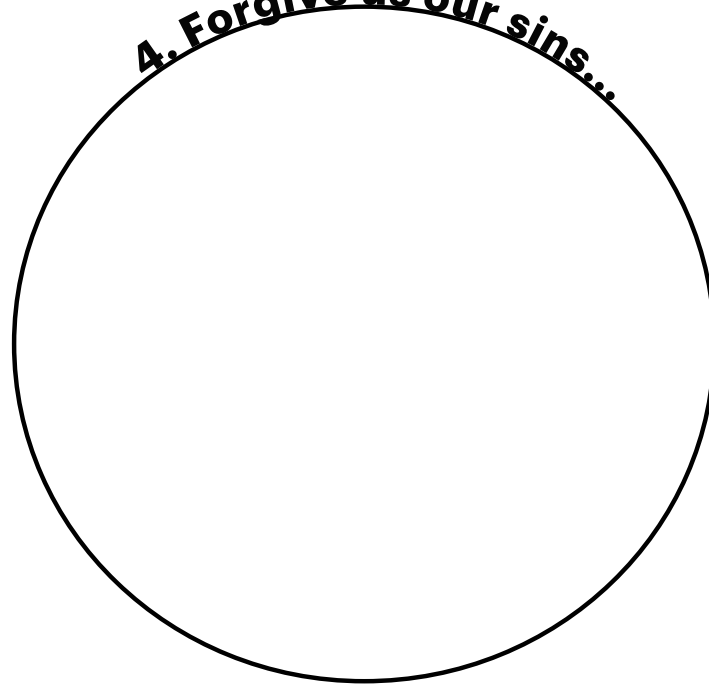

In what ways would it be good to see God help people on earth?

3. Give us each day our daily bread.

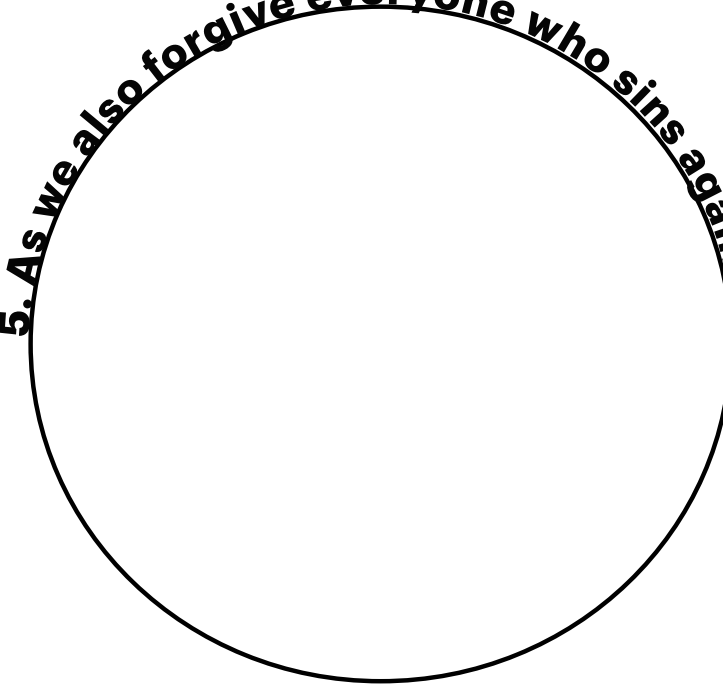

What is one thing you "need" for today?

4. Forgive us our sins...

What do you need to say "sorry" to God for?

5. As we also forgive everyone who sins against us.

Who do you need to forgive?
