### Youth Sunday Thank You

As we celebrate and support our young people today we want to thank all of those who are participating in the service, helping with the breakfast, baking pies, buying pies, and all the other ways this congregation supports our youth. We are also grateful for the opportunity to give Bibles to the young disciples of the congregation and for those who helped plan the day. We are deeply blessed in this church family to have a wonderful group of kids and so thankful for all the ways these young people add to the life of the congregation. Thanks for being a part of the day!
